

Words of Life for April 2024

INFLUENCE 1963-1114

▶ 214 The prophet confessed, caused him to say, "I'm a man of unclean lips." A prophet! God, we need another vision like that! When he saw up there, the... saw this cleansing Power of God.

▶ 215 Now watch how God did. **He sent one of the Seraphims and took the tong, took a hot coal off the altar and put it in His hands, come laid Isaiah's head back and touched his lips, said, "Your iniquity is gone."**

▶ 216 Then Isaiah learned another lesson. I might drop this in. Might not be very appropriate, but I believe it is. Did you notice, **God cleanses His prophets by Fire**, not by theology or a book of some kind. See? **He cleans His people by Fire, Holy Ghost and Fire**; not by declaration of creeds, or books or something you've got to learn, a bunch of prayers, and so forth.

▶ **He cleans them by Fire off of the altar. That's how He sets him in order. Yeah. Yes, sir. That's how He cleansed His prophets at the beginning, when a hundred and twenty was in an upper room, the Holy Ghost fell, and tongues of Fire set upon them. They were cleansed and ready for service. That's how God cleans.**

▶ Not by learning, get a Bachelor of Art, or a DD., Ph.D.; but getting Holy Fire from Heaven, that takes the lying off of your lips, and takes the carnality out of you, **burns that stuff away, that dross of--of the world, and puts His Presence in there and lives through that person. Holy Fire is what**

God cleans His Church with. Isaiah learned that. **We ought to learn it, that God don't cleanse by knowledge. He cleans by Fire.**

▶ 217 You see how he is, a prophet set in order. Now He cleansed his lips, took his iniquity away. Then after he had, he confessed, humbled himself, he said, "I am a man of unclean lips," when he saw the Presence of God.

▶ 218 Do you follow me? [Congregation says, "Amen."--Ed.] What do we, what do we know right now? We're in the Presence of God. That's right. We are right now sitting. Do you... **We can't comprehend it, but we are now in the Presence of God, seeing God. Do you believe He is here? ["Amen."] Certainly, He is here.**
